

Graduation Information Master of Science Programs

Please remind that the registration for graduation is on-line service.

Please Note:

Presentations will be held in building BL27.

Two days before the Graduation Day, the list of the professors of the Graduation Committee will be posted in the following website <http://www.ingindinf.polimi.it> and on the office notice board of Academic Office.

PC-Projector connection test will take place in room BL27, you don't need to make any reservation.

Important:

Graduating Students will have to show up at the Graduation Committee with one hard copy of their Final Work.

The graduation ceremony and the delivery of the diploma will take place in the same room of the presentations at the end of the works.

Any information regarding the e-mail confirming the correct registration to the graduation must be requested to Registrar's Office.

Modalities and deadlines for online submission and approval of thesis are published at <http://www.biblio.polimi.it/en/home/>, in the "thesis submission" section <http://www.biblio.polimi.it/en/resources/>

Other useful information regarding the deadlines for graduation are available at <http://www.ingindinf.polimi.it/en/didactics/academic-calendar/>

No form must be submitted to Academic Office.
