EXPAT TUITION FEE
CONTRIBUTION

MIP is offering a limited number of contributions to international candidates already living, working or studying in Italy.

The contribution starts at 20% of the tuition fee, although this discount may be increased depending on the quality of the candidate's application, their previous work experience and GMAT score.

1. BENEFICIARIES AND REQUIREMENTS

Beneficiaries will already be living, working or studying in Italy.

Requirements:

Write an essay of 700-1,000 words on the following topic:

Life in Italy - your own perspective! Tell the Admissions Committee about your current expat experience in Italy. What were/are the challenges? What have you learned from this experience? In which way has it changed you and your worldview?

2. SUBMISSION OF AND DEADLINE FOR APPLICATION

A Financial Aid Request Form (provided upon request) must be completed and uploaded together with a copy of the candidate's latest pay slip to their application profile.

The number of scholarships is limited and the contributions will be given out on a rolling basis. Therefore, **early applications are encouraged** and may mean that candidates are eligible for an additional, Early-Bird discount on tuition fees.

3. EVALUATION AND OUTCOME OF APPLICATION

Candidates will be evaluated according to the following criteria:

- > Academic and professional record;
- > Results of the MBA selection process;
- > Assessment of their written essay.

The successful candidate will be notified formally by the Committee via their admissions email and contract. The scholarship is awarded at the sole discretion of the Committee, whose decision is final and cannot be appealed against.

4. INCOMPATIBILITY AND LOSS OF SCHOLARSHIP

This contribution can be combined with other scholarships, awards and/or financial support for specialisation courses offered by public or private bodies and/or companies, as long as the total amount does not exceed the total amount of the tuition fees.

The beneficiary must self-certify that this total sum has not been exceeded.

The beneficiary must comply with this condition for the whole duration of the MBA program.

5. ACCEPTANCE OF THE CONDITIONS

Candidates applying for the expat tuition fee contribution must confirm their full acceptance of the related conditions, of which they will be notified in writing in the letter of assignment of the contribution.
