MIP4WOMEN COMPETITION

INTERNATIONAL
PART TIME MBA

Given the success of the MIP4Women competition, we are proud to announce the relaunch of this initiative for the 2020 intake. Our goal is to continue to encourage female participation in our International Part-Time MBA and to develop and nurture a culture of women in management.

Different amounts of up to €6,000 are offered within the MIP FOR WOMEN programme.

1. BENEFICIARIES AND REQUIREMENTS

To be eligible for this competition, female candidates must meet the admission requirements and submit a **short piece** (of no more than 500 words) at the application stage on the following topic:

"Women have always had to fight twice.

They have always had to carry two burdens, the private and the social.

Women are the spine of society."

Rita Levi Montalcini, Nobel Prize

Describe the biggest challenge you have faced in your professional or private life as a woman.

2. SUBMISSION OF AND DEADLINE FOR APPLICATION

A **Financial Aid Request Form*** (provided upon request) must be completed and uploaded together with a copy of the candidate's **latest pay slip** to their application profile.

The number of scholarships is limited and the contributions will be given out on a rolling basis. Therefore, early applications are encouraged.

3. EVALUATION AND OUTCOME OF APPLICATION

The *Financial Aid Request Form takes into consideration both the financial need (supported by the submission of the latest payslip) and the professional achievements of the candidate.

Candidates will be evaluated according to the following criteria:

- > results of the International Part-Time MBA selection process
- > assessment of their written essay

The successful candidate will be notified formally by the Committee via their admissions email and contract. The awards are made at the sole discretion of the Committee, whose decision is final and cannot be appealed against.

4. INCOMPATIBILITY AND LOSS OF SCHOLARSHIP

This contribution can be combined with other scholarships, awards and/or financial support for specialisation courses offered by public or private bodies and/or companies, as long as the total amount does not exceed the total amount of the tuition fees.

The beneficiary must self-certify that this total sum has not been exceeded. The beneficiary must comply with this condition for the whole duration of the International Part-Time MBA program.

5. ACCEPTANCE OF THE CONDITIONS

Candidates competing for the MIP4Women grant must confirm their full acceptance of the related conditions, of which they will be notified in writing in the letter of assignment of the award.
