Given the success of the MIP4Women competition, we are proud to announce the relaunch of this initiative for the 2021 intake. Our goal is to continue to encourage female participation in our International Part-Time MBA and to develop and nurture a culture of women in management.

Different amounts of up to €6,000 are offered within the MIP FOR WOMEN programme.

1. **Beneficiaries and Requirements**
To be eligible for this competition, female candidates must meet the admission requirements and submit a short piece (of no more than 500 words) at the application stage on the following quote:

“Dream with ambition, lead with conviction, and see yourself in a way that others might not see you, simply because they’ve never seen it before.”
Kamala Harris, Vice President of United States of America

Comment this passage explaining the importance of women in leadership and how they can leverage other women to reach managerial roles. You can possibly support your essay with your personal or career experiences.

2. **Submission of and Deadline for Application**
A Financial Aid Request Form* (provided upon request) must be completed and uploaded together with a copy of the candidate’s latest pay slip to their application profile.

The number of contributions available is limited and the contributions will be given out on a rolling basis. Therefore, early applications are encouraged.

3. **Evaluation and Outcome of Application**
The *Financial Aid Request Form takes into consideration both the financial need (supported by the submission of the latest payslip) and the professional achievements of the candidate.

Candidates will be evaluated according to the following criteria:
> results of the International Part-Time MBA selection process
> assessment of their written essay

The successful candidate will be notified formally by the Committee via their admissions email and contract. The awards are made at the sole discretion of the Committee, whose decision is final and cannot be appealed against.

4. **Incompatibility and Loss of Contribution**
This contribution cannot be applied in case of sponsorship.

5. **Acceptance of the Conditions**
Candidates competing for the MIP4Women grant must confirm their full acceptance of the related conditions, of which they will be notified in writing in the letter of assignment of the award.
