## LATVIA – RIGA

### RIGAS TEHNISKA UNIVERSITATE/RIGA TECHNICAL UNIVERSITY

**University Code:** LV RIGA02

**# slots for Management Engineering (@Engineering Technology)**

Semester Exchange: 2 students per A.Y. (shared with other CS)

Level: BSc and MSc

**Academic Calendar**:
September – January
January – June

**Grading scale:** the final grade of each course may consist of several components: midterm exam, course paper, laboratory works, home works (assessment during semester) and final exam. A student is not allowed to take the final exam without fulfilling and getting passing grades for each of the semester tasks.

Exams are taken during the examination period. Latvia's higher education uses a ten-point grading system, the assessments ranging from (10) "with distinction" to (4) "almost satisfactory". The final assessment may be and exam (graded with a mark from 10-0) or a test (graded with Pass or Fail). A multiplication by a factor of 1.5 is necessary to calculate Latvian credit points into ECTS.

**Recommended for the following Polimi MSc Majors: Industry 4.0**

**Language Proficiency Requirements:** students must submit an official English language proficiency confirmation (IELTS or TOEFL, Cambridge), stating at least a level B2.
