PORTUGAL – COIMBRA

Universidade de Coimbra

University Code: P COIMBRA01

slots for Management Engineering (@Faculdade de Economia)

Semester Exchange: 4 students per A.Y.

Level: BSc and MSc

Academic Calendar:

September – February (classes end in December)

February – July (classes end in June)

Grading scale: The final assessment of a course unit is expressed in a numerical grading from 0 to 20, with 10 as the minimum passing grade, as well as in its equivalent ECTS grading scale (from A to E). According to the Portuguese legislation, the grades below 10, in the 0-20 numerical scale, are failing grades and do not have a corresponding ECTS grade. For further information read [here](#).

Recommended for the following Polimi MSc Majors: Sustainability & Social Impact; Circular Economy.

For **all other Majors**, while more course offerings are available in Portuguese, in the **Spring Semesters** you may find fewer course in English for your core requirements and may need to integrate with FREE course and Electives.

Language Proficiency Requirements: While some courses are taught in English, the majority of the courses at the Bachelor level are in Portuguese. The university does not require a language certificate but recommends a minimum level of B1 in Portuguese. Please find further indications [here](#). See above any limitations for specific Polimi Management Engineering Majors.
