Mentorship programme in Management Engineering

1. Layout of the Mentorship programme
2. Selection criteria & applications
3. Timeline

Mentorship programme: The four pillars

Networking

Participate and build a network of friendly people who share your interests

Senior Mentorship

Develop a one-on-one relationship with a top professional of our SOM

Civic Responsibility

Learn to participate and become an agent for change in your community

Active learning

Experience how to teach bachelor students while growing skills to equip you for your career

The Senior Mentorship activity aims to create a platform that connects top MSc Students in Management engineering (Mentees) with experienced professionals and senior executives (Mentors)

Mentors are experienced professionals and senior executives that act as advisers

Mentees can gain real world industry insight, job market entry and career development and advice on personal growth

Participation to
social events
that will be organized during
the year to network with
peers, POLIMI faculty and
top managers and
professionals

- Outdoor activity (peers and members of the faculty)
- “Dinner with” (keynote speakers, mentors, peers and members of the faculty)

An Athenian citizen does not neglect public affairs when attending to his private business, above all he does not take care of public affairs to solve his private matters. (Pericle, Speech to the Athenians).

Q&A with the institutions: Meet a representative of the national / International institutions and discuss about key topics for the society, taking on responsibility of a citizen, in line with the principle of democratic governance and social participation.

*Docendo discimus. By teaching, We learn.
(Seneca, Epistulae Morales)*

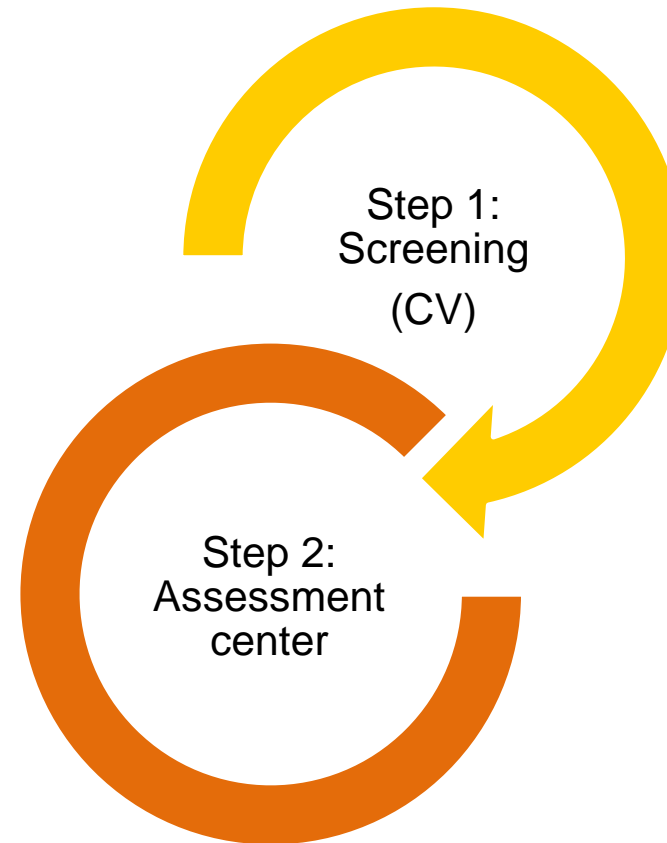

**Truly know and be able
to restate contents and
concepts in a truthful
manner with objectivity**

**Combine the new
information with
existing knowledge**

**Exit your comfort zone
and improve your public
speaking ability**

Selection criteria
