HousingAnywhere is an international housing platform for students, and a POLIMI agreed accommodation provider. Through HousingAnywhere, you can **safely** book your new room, offered by **verified** private landlords and outgoing students. MIP students can benefit from a **Politecnico di Milano VIP profile**, which gives them **priority access** to the listings in Milan and a **10% discount on the booking fee**.

HOW IT WORKS

- > To activate your MIP VIP profile, sign up here: <https://housinganywhere.com/Milan--Italy/mip-polimi/sign-up>
- > Select the date of move-in, and filter your search
- > Claim your discount by contacting vip@housinganywhere.com (you can obtain the discount only after creating your profile through <https://housinganywhere.com/Milan--Italy/mip-polimi/sign-up>).
- > Find the right accommodation among the listings and get in touch with the landlord securely through the platform's direct messaging service
- > Pay the first month's rent and the booking fee to finalize your booking. HousingAnywhere will transfer the payment to the landlord 48h after your move-in

RENTAL CONDITIONS

Please note that each listing has its own conditions outlined in the description on the website. Read them carefully before proceeding with your booking.

The **booking fee** can vary from a minimum of €150 and a maximum of €250.

Any post-booking costs (e.g. administration or furnishing fees) are between you and your landlord. You can also transfer any of these funds via **Payment Requests**, a secure feature available for free through HousingAnywhere's online rent system.

CANCELLATION POLICIES

- > If you cancel your booking within 24h from the payment confirmation, you will receive the first month's rent back, but not the booking fee.
- > After your move-in, you have 48 hours to report any materially different condition from the ones advertised on the website. In case your complaint is considered valid by HousingAnywhere, you will be entitled to a full refund.
