

STATEMENT OF COMPARABILITY

(ATTESTATO DI COMPARABILITÀ DEL TITOLO ESTERO)

Why do I need to obtain a statement of comparability of my degree and what is it?

In order to be enrolled at Politecnico di Milano, your degree must be recognized within the Italian education system.

The **Statement of Comparability** is a document containing the information relating to the qualification, such as the recognition/accreditation of the institution that issued it in the country of origin and the level of the qualification according to the Bologna Process and the European Qualifications Framework, in addition to the specifications of the comparability of the degree, the nature of the course (academic or professional) and any other useful element to let it be evaluated by the competent bodies in the different national systems.

The service is only available for **official university qualifications** (being officially part of the foreign system of higher education) issued by **foreign official institutions** (recognised/accredited in the foreign system of higher education).

Who do I refer to for this document?
