- HOMI
- EICMA
- Dolce&Gabbana

### PERSONAL INTERESTS

I am interested in music and theatre, and I played both during my life. I like all kind of sports and competitions, I play volleyball in a team and I perform different open-air sports both in summer and winter. I love travelling and exploring the world, staying in contact with nature but also spend my time in crowded city-centers. I like logic games, quizzes and all kind of brain teasers.
