Social skills and competences

Living and working with other people, in multicultural environments, in positions where communication is important and situations where teamwork is essential (e.g. Culture and sports), etc.

I have spent six months abroad during my Erasmus period in Norway, where I had the opportunity to live and work in several group projects with people from all over the world. I have been playing volleyball for ten years in a team. I am part of a student association where I am responsible for a team which organizes events on the topics of social innovation and sustainability.

Organisational skills and competences <i>E.g. coordination and management of people, projects and budgets; at work, in voluntary work (e.g. culture and sports) and at home, etc.</i>	I have experience in coordinating and managing people, gained thanks to my experience in my students' association and thanks to many group projects where I always covered a leading role. I am very good at managing budgets and time schedules both at work and in my personal life.
Technical skills and competences <i>With computers, specific kinds of equipment, machinery, etc.</i>	I can use Minitab, OpenLCA and GRANTA Edupack, together with Microsoft office.
Artistic skills and competences <i>Music, writing, drawing etc.</i>	I love reading and writing.
Other skills and competences <i>Competences not mentioned above.</i>	I am very passionate about sports, such as volleyball, skiing, running and trekking.
