Personal skills and competences

Acquired in the course of life and career but not necessarily evidenced by formal certificates and diplomas.

Mother tongue	Italian
---------------	----------------

Other language(s)

	English
• reading	Excellent
• writing	Good
• speaking	Good

	Spanish
• reading	Excellent
• writing	Good
• speaking	Excellent

Social skills and competences

Living and working with other people, in multicultural environments, in positions where communication is important and situations where teamwork is essential (e.g. Culture and sports), etc.

Thanks to my previous experiences, I had the possibility to face and live with people from a wide range of different cultures and social extraction allowing me to develop an open wide-minded. In addition, I had already worked in teams composed of international members and I have learned how to behave with people with different mindsets, cultures, and attitudes compared to me. I had also the possibility to face and communicate directly with the stakeholders of the projects I have followed, showing to them the results of the researches I had conducted in the team.

Organisational skills and competences

E.g. coordination and management of people, projects and budgets; at work, in voluntary work (e.g. culture and sports) and at home, etc.

One of my summer jobs was to help my family in their small catering business, this allow me to learn how to deal with people, both employees, and customers. Moreover, during my university experience, mainly during my master's course, I have done mainly group projects as exams, thanks to this practice I have learned how to work in “academic” groups of research and how to manage the various steps of research and the different deadlines mandatory for the exams. Finally, in my experience as a research assistant in Politecnico di Milano, I learned also, how to manage research conducted for firms and not only with an academic purpose, learning the ability to respect shorter deadlines respect the academic ones.

Technical skills and competences	<ul style="list-style-type: none">- Advantage knowledge of the Microsoft Office pack (Word, Excel, and PowerPoint)- During my university period I have used software as:<ul style="list-style-type: none">o Ro Statao SPSSo Atlas (for qualitative research)o Ucinet (specific for network analysis)
---	---

With computers, specific kinds of equipment, machinery, etc.
