## LM25 PostDoc and Fundraising Workshop September 17, 2025

---

**Dear logistics, operations and supply chain management PostDoc and Early Career Researchers,**

we are honoured to outline the PostDoc and Early Career Researcher Workshop on Fundraising during the LM25 conference, which will take place at Politecnico di Milano School of Management from September 17<sup>th</sup> to September 19<sup>th</sup>, 2025, in Milan, Italy (Via Lambruschini 4/B, Building BL/26, 20156 Milan, Italy).

### Objectives

The workshop aims to provide ideas, experiences and support for your **PostDoc research career** with a focus on **fundraising** issues while connecting you with the latest research and development trends in logistics and operations, such as **sustainability, digitalization, and human-centric systems**.

We announce an interesting conference pre-program on September 17, 2025, in Milan, with our dedicated fundraising workshop, also open for other issues in this regard touching the early career experience.
